

Old World Cobble®
introduces Sakonnet
River Rounds

Bringing a World Of Stone to you...

Originally the premier wholesale importer/distributor of cobblestone throughout New England. Old World Cobble® has expanded it's product line to include granite steps, treads, pattern stock, posts and curbing. We have also expanded our color selection to include brownstone, blue mist, sandy point as well as OWC gray. Last year we introduced New England Fieldstone flats, rounds, wall run. Also our line of dimensional granite in Connecticut Tan and Vermont Gray. Be sure to check out all our product lines on www.oldworldcobble.com.

And now we introduce Sakonnet River Rounds. Golden hued, round fieldstone from Southeastern New England. Perfect for building strong walls. offered in full stone and split in half for full bed veneer. Shipped in wire baskets 2500# each.
